The North Carolina Medical Group Management Association

The North Carolina Medical Group Management Association (NCMGMA) provides administrators with a rich source of networking, education and resources for professional growth within the industry. Founded in 1971, we have grown to over 800+ members representing more than 500 medical groups from all across North Carolina, from the mountains to the coast. Our membership includes small and large single and multi-specialty groups, academic clinics, as well as management service organizations, independent practice associations, and physician hospital-based organizations.

Top Member Benefits

- **Experience and Strength** – Benefit from 40+ years of service to healthcare professionals with connection to over 800+ members.
- **Industry Networking** – Share and learn with peers at meetings, electronically through periodic news flash emails, and online through our website (www.ncmgm.org) and news resource, *NCMGMA News* (<http://ncmgm.wordpress.com>).
- **Webinars** – NCMGMA, along with the North Carolina Medical Society Foundation's PractEssentials Program, provides members with numerous webinars throughout the year. Members receive deeply discounted, and sometimes free, registrations for webinars.
- **Certification Assistance** – Connect to ACMPE certification and fellowship study groups.
- **Annual Conference and Roadshows** – Hear current topics of interest to group administrators/managers and gain continuing education credits at our Annual Conference and Roadshow experiences.
- **Member Listserv** – Post questions, information, and share feedback with members via the listserv.
- **Healthcare Job Postings** – Send and receive notifications on positions available within member practices.
- **Around-the-Clock Support** – Access information 24/7 via the NCMGMA website and *NCMGMA News*.
- **Leadership Opportunities** – Serve on NCMGMA committees and shape the activity of the organization. Our committees report to the membership and serve as advocates for members whenever possible.
- **Legislative and Advocacy Participation** – Join us each year as we visit our legislators in Raleigh. Our Advocacy committee maintains an active relationship with our representatives and keeps us aware of current legislative issues.
- **Industry Recognition** – Each year, NCMGMA and Medical Mutual recognize outstanding leadership activity with the Administrator of the Year Award; and NCMGMA and First Citizens Bank honor exceptional group performance with the Practice of the Year Award.

Membership Classifications

The North Carolina Medical Group Management Association membership year runs from November 1st through October 31st. Prorated rates for new state members are available after June.

- **Active Member:** An individual employed in an executive, managerial or administrative capacity of a medical group engaged in the practice of medicine as a legal entity, sharing business management facilities, records and personnel and/or serves in an executive, managerial or administrative capacity of an integrated delivery organization that includes, as part of its primary mission, the provision of physician services and administration of physician practices.
- **Faculty Member:** An individual employed full-time as a faculty member at a university or college in a healthcare program.
- **Affiliate Member:** An individual employed by an organization that provides products and/or services to the Active members and the healthcare field.
- **Student Member:** A full or part time student according to the guidelines of their college or university.
- **Corporate Membership:** If you have five or more employees who qualify for NCMGMA membership (Active or Affiliate) your company could save on the cost of membership. A 10% discount, per membership, is available for companies with 5-10 applicants; a 15% discount, per membership, is available for 11 or more applicants within a company. Contact NCMGMA for more details.

About MGMA
